THE IRON CIRCLE BREAKING CONTACT TECHNIQUE

SOVEREIGN SEVERANCE PRINCIPLE

Not all contact is beneficial. If an intrusive, uninvited, or trickster entity enters your field or distorts a vision, you must execute this protocol immediately with cold, hard intent [cite: 1899, 1900, 1901, 1902].

- **1. Isolate the Vision:** Bring the target entity clearly into your inner sight, freezing it into a stable, contained space [cite: 1904, 1905].
- **2. Wield the Iron Blade:** Physically hold or strongly visualize a physical iron-bladed knife, pointing it directly at the being [cite: 1910, 1911].

- **3. The Counterclockwise Circle:** Move the knife firmly to trace a complete circle around the entity, moving from ****North → East → South → West → North**** [cite: 1914, 1915].
- **4. Diminish and Dissolve:** With each quadrant of the circle passed, visualize the contact shrinking, getting smaller and smaller until it is a tiny speck [cite: 1907, 1908].
- **5. Complete the Seal:** As the blade returns to North, see the speck dissolve completely [cite: 1908, 1916]. State authoritatively: *"It is done."* [cite: 1917, 1918].

- **The Pot Contents:** Gather native soil, leaves, plants, and seeds directly from the plot of land [cite: 1960, 1961]. Place them into an earthenware vessel [cite: 1961]. Fill the remaining space with sweet honey, a tiny pinch of salt, and exactly **three charged Thunder Crosses** [cite: 1962]. Seal the lid completely with wax [cite: 1962].
- **Burying and Walking:** If utilizing a single pot, bury it at the absolute geometric center of the land [cite: 1964, 1965]. If utilizing four pots, bury them at the four outermost corners [cite: 1965]. Walk the entire perimeter, burying slivers of oak or hazel wood that have been thoroughly soaked in milk and honey [cite: 1967, 1968].
- **Sealing the Axis:** Return to the center [cite: 1970]. Stamp your foot heavily three times in each of the four cardinal directions, beginning explicitly in the **South** [cite: 1971].

"In this field or meadow, Peace, where Nature finds its calm Release. A Charm of Mighty Providence is buried in these roots so Deep. People of Peace, who Watch, and Ward, forbid here harmful turn of chance, and of all evil circumstance. Keep guard, Sweet Ladies, with unseen eyes, till this ground be harmed and thoust fires rise, to act upon those so unwise. HOOIMLEIAN ARAOOAN HUAT, HUAT, HUAT NONA DECIMA MORTA" [cite: 1973, 1974].

"Listen Well, thou Meadow, Harken, ye of Ancient field, of moss and bracken. All signs thereof of Wyrldling deep, the tears that Nature Weeps. In the Name of the Faery Reede, the Wild Hunt, in the Name of the Faery Queen - take this milk, flour, honey. From these piled stones and meal and water, be thou renewed and strongly soothed..." [cite: 2019, 2020, 2021].
