

PART TWO? BASIC TRAINING

Practice Cards (Set One)

Six energetic exercises, one card each, for daily practice away from the full book. Cards I–IV here, V–VI overleaf.

BASIC TRAINING I

Faery Fire

1. Settle and breathe until the body is quiet.
2. Bring attention to the space directly behind the navel.
3. Sense for a small point of warmth or light already present there, the Wraith-Force.
4. Let the flame grow steadily brighter without forcing it.
5. Let it spread gently outward through the whole body.

WITHIN ALL MATTER.

BASIC TRAINING II

Rising Light Below

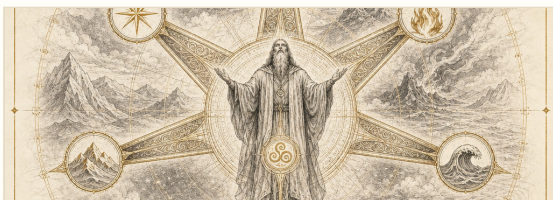

1. Send roots down from both feet into the Earth.
2. Find a central orb of power below and take hold of it with the roots.
3. Draw its light up slowly through the first level of the body.
4. Continue drawing it up through the second, third, and fourth levels in turn.
5. Let it rise onward and outward toward the Cosmos above.

BASIC TRAINING III

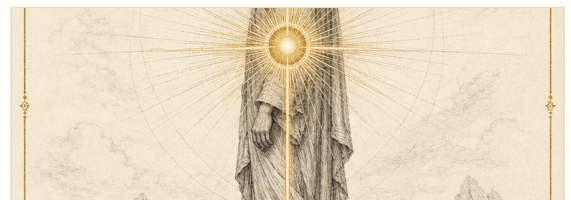

Attunement to the Seven Directions

1. Stand or sit at what you feel to be your own centre.
2. Turn attention to the East, then South, then West, then North in turn.
3. Turn attention to Above, then Below.
4. Return fully to the still centre from which all six were anchored.
5. Rest there as the seventh direction.

BASIC TRAINING IV

Alignment of the Three Suns

1. Sense a sun above the crown of the head.
2. Sense a sun at the centre of the heart.
3. Sense a sun below the soles of the feet.
4. Draw all three into a single vertical axis.
5. Expand the aligned axis outward from the heart centre.

PART TWO? BASIC TRAINING
Practice Cards (Set Two)

Cards V–VI. These trainings are not optional warm-ups: everything in Parts Three and Four depends on them.

BASIC TRAINING V

DreamWeaving

1. Root yourself firmly into the ground beneath you.
2. Sense fine threads extending outward from your body into the landscape.
3. Let the threads reach rivers, trees, wind, and sea in turn.
4. Feel the landscape's own threads reaching back toward you.
5. Rest in the single, shared weaving this creates.

BODY AND THE WIDER LAND.

BASIC TRAINING VI

Raising the Green Mist

1. Stand with feet grounded and steady.
2. Join both hands together and raise them slowly above the head.
3. Sense a mist rising from the land around your feet as you do.
4. Let the mist swirl upward around the whole body.
5. Hold the raised mist for a few breaths before releasing it gently.
